Designer Skin Bronzing Powder Ultra Illuminating Bronzing Powder Sales Fact Sheet

➔ Designer Skin Bronzing Powder

Story: Get wild and embrace your inner cheetah with a perfectly sun-kissed bronze. This bronzing powder combines three hues of bronzer to perfectly compliment any skin tone and enhance your inner *Grrrr!*

Rationale

- Provides salons with a new product to add-on to any sale
- First launched as a kit GWP in 2012 and is still requested, even years after it sold out!

Product Type

- Bronzing Powder

Technology

- Features three sun-kissed shades! Dark and Medium bronzers add a beautifully balanced bronze tone to the skin, while the Light Pink highlight shade provides the skin with a glowing undertone
- Swirl all three colors together to create a sexy back-from-the-beach glow
- **Get the Designer Look:** Use a kabuki or blush brush to dust bronzing powder on cheek bones, forehead, nose, chin and décolletage for an all-over glow!
